**Hours**

- On days that the ADDL is “Open 9-3”, the ADDL front desk will be staffed to answer calls and take in samples as usual. Same day testing will occur as usual, and our laboratory technicians will continue to report and move testing forward each day.
- The Purdue West Lafayette campus will shut down for Winter Recess December 20, 2024, and reopen January 2, 2025.
- Potential delays in testing:
  - o Sequencing turnaround times may be delayed by 1-2 business days.
  - o Trich and Salmonella PCR testing – samples received on Nov. 29, Dec. 24 and Dec. 31 will not be completed until the following business day when the lab is open.
  - o EIA AGID will start only on November 25 & 26, December 26 & 30, and January 2.
  - o BVD ACE testing will ONLY be completed on Nov. 27, Dec. 20, and Dec. 27 for those weeks.
  - o Drag Swab Cultures will not be tested in the week of December 23<sup>rd</sup> or December 30<sup>th</sup>.
  - o Please contact the ADDL with any questions regarding turnaround times or test availability.

**Shipping Reminders**

- Time sensitive shipments should be sent next day air during the holidays.
  - o Always check with the courier service to ensure delivery times and schedules.
- To ensure delivery and avoid potential delays, it is recommended to avoid sending samples via the US Postal Service between December 6<sup>th</sup> and January 2<sup>nd</sup>.

If you have any questions regarding shipments of samples during these times, please contact us at 765-494-7440.

Happy Holidays,  
The ADDL
