This biennial workshop is designed to review normal and pathologic bone marrow in companion animals via cytology and histology. Blood and bone marrow data from case examples will be used to demonstrate the correlation between the different methods of performing biopsies.

Learn through group discussions and personalized microscopy study. Individual microscopes will be provided.

Trainees will gain confidence in evaluating bone marrow samples. Up to 13 continuing education (CE) credits are offered for this workshop.

**CREDIT CARD PAYMENTS:**

Do NOT send credit card information through the US Postal Service or via fax. Credit card payments can only be processed through online registration or by phoning: 1-866-515-0023.

**RETURN FORM TO:**

Mail or fax this completed form to:

Purdue University Conferences  
Stewart Center, Room 110  
128 Memorial Mall  
West Lafayette, IN 47907-2034  
Fax: 765-494-0567

Please make checks payable to **Purdue University**.

A full refund will be granted if a request is received by July 15, 2018. We are unable to process refunds after that date. Purdue is not responsible for costs incurred due to cancellation.

**BIOSECURITY MEASURES:**

The Purdue University College of Veterinary Medicine is taking precautionary measures to protect Purdue Veterinary Medicine animals from foreign animal diseases. As a result, anyone who has traveled outside of the United States or Canada and who has had contact with animals or animal premises while outside the United States or Canada within 5 days (120 hours) prior to August 11, 2018 cannot enter the Purdue University College of Veterinary Medicine or other areas of the veterinary complex.

☐ By checking this box, I have read and agree to the terms of the biosecurity statement above.

Purdue is committed to making its programs accessible to individuals with disabilities. If you require an accommodation or special assistance for this program due to a disability, please call 1-866-515-0023. For more information on registration, email Amanda Johnson at john2145@purdue.edu or call 765-494-0874.

There are 13 Continuing Education (CE) credits offered for this workshop. For program information, contact Andrea Brown at 765-494-0611 or pvmllonglearning@purdue.edu.
